3rd October 2018

Dear Andris,

This is to confirm that you have been continually employed by Healthvision since the 7th December 2011. You are employed as a domiciliary Care Assistant and work on average about 40 hours per week.

You have experience in working with people with the following conditions:

- Motor neuron diseases
- Spinal and brain injuries
- Learning disabilities
- End of life / palliative care
- Home from hospital / respite care
- Mental Issues / Illness
- Demencia
- Physical Disabilities

This work practice relates to psychology in the following terms:

1. Multicultural Communication Diversity
2. Individual approach - person-centered approach
3. Dignity and respect for all
4. Honesty and integrity
5. Inclusiveness
6. Empathy
7. Reliability
8. Quality in all we do
9. Confidentiality
10. Provide support and inform
11. Coordinate with care organization, family and client

CELEBRATING

10 YEARS

2008  2018

You attend annual refresher training in moving and handling, medicine administration, safeguarding adults and dementia. In addition you are supervised in work practice at least four times per year.

I wish you well with your psychology registration and certification, if you require any further assistance please do not hesitate to ask.

Kind Regards
